Dear Parents and Carers

2023 Primary Swimming Carnival

This may seem very early to be preparing for next year's carnivals, but given that the carnival is Week 1 for Primary (and Kindergarten's first day of school) and Secondary's will be in Bega, we need to get organised before the end of this year. We are asking parents to have a discussion with their child/ren regarding the carnivals and the events they would like and are capable of swimming in. The primary carnival is for all students in Year 2 who turn 8 in 2023 to Year 6. There will be ungraded (25m (1 lap) events) and graded (50m (2 laps) events) and novelty events. For Kindergarten, Year 1 and those Year 2 students who are not turning 8, there will be fun novelty activities for you in the small pool, run by secondary students and staff. If students do not wish to compete, they are welcome to come to the carnival to support their friends. Parents are also welcomed to come and watch. Below are the details of the excursion:
